

AMISPEED

Junior Race Technician – Full Time

Reports to: Team Principal
Hours of Work: 08:30 – 17:30 (full time)
Location: Amspeed Ltd, Brackley NN13

About Amspeed

Amspeed are a growing and well-respected company specialising in the build, support and restoration of BMW race cars from the 1980s to present. At our workshop we carry out all aspects of work in-house from body shell preparation to engine builds. We also support a wide range of cars in multiple series throughout the UK and Europe.

We are looking for a highly motivated Race Technician to join our experienced and enthusiastic team. The ideal candidate will offer a wealth of knowledge in; trackside support, preparation, build and restoration enabling them to assist in the care of our stable of historic and modern BMW race cars.

Job Role

- To prepare, assemble and rebuild race cars and their sub assemblies
- To represent the team and provide customer event support on race weekends and test days

Skills Required:

- Workshop knowledge & technical skills
- Basic fabrication skills
- To communicate effectively to aid with resolution of problems quickly and efficiently
- Effective time management and ability to prioritise your workload

Personal Specification:

- Passionate about motorsport
- Attention to detail
- Energetic, proactive and calm under pressure
- Strong team player with the ability to thrive in a small, closely-knit, and dedicated team
- Excellent organisational skills
- Flexibility – being prepared to work longer hours when occasionally required
- Self-motivated and with the ability to work unsupervised

AMISPEED
